Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold any subaltern commission in the Militia, Local Militia, Fencibles, or Volunteers, and to receive it in addition to the full-pay of such commission during war. In time of peace, when the Militia is only embodied for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 25th June, 1814, with respect to Officers reduced at that date.

* * * Both Rates of Half Pay are payable Quarterly, without any Deduction whatever.

Extracts from the Secretary at War's Instructions for Disbanding or Reducing the abovementioned Battalions, dated 18th & 23d Dec. 1815.

"THE Officers liable to reduction, who may be present with your Battalion, or in this Country, shall be placed on Half Pay from the 25th February next, to which date their Full Pay will be allowed, to enable them to proceed to their intended places of Residence."

"SUCH of the Officers to be reduced as are upon Foreign Service, will be continued on Full Pay until Two Months subsequent to the respective dates of their arrival in England, provided they return as soon as they are relieved from their Regimental Duty; but such Officers as are on the Staff, and continue to be employed thereupon, will be placed on Half Pay from the 25th February next, inclusive."

"If in pursuance of the directions of His Royal Highness the Commander in Chief, conveyed to you by the Adjutant General, it should be found necessary to retain any Officers of the Second Battalion, for the duties of the depot, until the arrival of Officers belonging to the First Battalion, the Names and Ranks of such Officers are to be reported to this Office; as are also the Dates on which they shall hereafter be respectively relieved from regimental duty, in order that they may be placed upon Half Pay at the expiration of Two Months from such dates."

"His Royal Highness the Prince Regent is pleased to declare, that if any vacancies should occur in the Regiment previously to the 25th of February next, either with or without purchase, the senior reduced Officers of the rank in which the vacancies may happen, shall succeed thereto; and that if the Adjutant of your Battalion should, from his standing in the Regiment, be an effective Lieutenant or Ensign in the First Battalion, he shall be allowed the option of remaining on the Full Pay of such rank as Lieutenant or Ensign, or of being placed upon Half Pay as an Adjutant."

War Office, December, 1815.

ORDERS have likewise been given for Disbanding The King's German Legion on their arrival in Hanover.

EXTRACT of an Act for discontinuing certain Deductions from Half-Pay, &c. dated 4th July, 1815.

"THAT it shall be lawful for His Majesty, His Heirs, and Successors, by Warrant under His Royal Sign Manual, from time to time to direct that the Half-pay and Military Allowances of Officers belonging to the Establishment of Great Britain or Ireland, should be paid to such Officers net and free from all or any of the Deductions which have heretofore been made from the same; and from and after the issuing of any such Warrant, all such Pay and Allowances shall be paid without any Deduction whatever."

"THE Officers liable to reduction, who may be present with your Battalion, or in this Country, shall be placed on Half Pay from the 25th February* next, to which date their Full Pay will be allowed, to enable them to proceed to their intended places of Residence."

"SUCH of the Officers to be reduced as are upon Foreign Service, will be continued on Full Pay until Two Months subsequent to the respective dates of their arrival in England, provided they return as soon as they are relieved from their Regimental Duty: but such Officers as are on the Staff, and continue to be employed thereupon, will be placed on Half Pay from the 25th February* next, inclusive."

"If in pursuance of the directions of His Royal Highness the Commander in Chief, conveyed to you by the Adjutant General, it should be found necessary to retain any Officers of the Second Battalion, for the duties of the depot, until the arrival of Officers belonging to the First Battalion, the Names and Ranks of such Officers are to be reported to this Office; as are also the Dates on which they shall hereafter be respectively relieved from regimental duty, in order that they may be placed upon Half Pay at the expiration of Two Months from such dates."

"His Royal Highness the Prince Regent is pleased to declare, that if any vacancies should occur in the Regiment previously to the 25th of February* next, either with or without purchase, the senior reduced Officers of the rank in which the vacancies may happen, shall succeed thereto; and that if the Adjutant of your Battalion should, from his standing in the Regiment, be an effective Lieutenant or Ensign in the First Battalion, he shall be allowed the option of remaining on the Full Pay of such rank as Lieutenant or Ensign, or of being placed upon Half Pay as an Adjutant."

"His Royal Highness has further been pleased to order, that the Officers who are liable to reduction shall be placed on Half Pay from the 25th March next, to which date their Full Pay will be allowed; that in corps in which there are at present two effective Lieutenant Colonels, the junior Officers of that rank shall be retained on duty as Supernumeraries; and that in Corps in which there are now vacant Cornetries for sale, the Lieutenants liable to reduction shall have the option, to the extent of such vacancies, of remaining upon Cornet's pay from the date of reduction, or of being placed upon Half Pay. In the former case, they will of course be expected to perform the duties of Cornet; but they will retain their Rank of Lieutenant, and their regimental seniority, and are to succeed to vacant Lieutenancies as they occur on the establishment."

Extracts from the Secretary at War's Instructions for Disembodysing the abovementioned Corps of Militia, dated January, 1816.

"Each Subaltern, and the Surgeon's Mate, if any, will be allowed, as a gratuity, a sum to complete two months' pay each, from the date of their disembodysing, (any advance already made beyond the latter date being of course to be reckoned as a part of such gratuity); which, being granted to them in this shape, will not interfere with the receipt of Half Pay, nor of any other allowance, to which they are entitled, or may hereafter obtain, from Government. Officers holding two Appointments are, however, to receive the allowances for one of them only."

"The Adjutant, Paymaster, Surgeon, and Quarter Master, are not to have the said gratuity; it being intended that they shall be retained on duty and receive pay, commencing from the day subsequent to that of disembodysing inclusive, at the rates fixed by the Act of 35 Geo. 3, cap. 165."

"The Non-effective and Contingent Allowances of the Captains, the Mess Allowance, and other Regimental Allowances for Embodied Corps, are to cease from the date of disembodysing inclusive."

HALF PAY.—OLD AND NEW RATES.

OLD RATE.	NEW RATE.
<i>Cavalry Infant.</i>	<i>Cavalry Infant.</i>

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold any subaltern commission in the Militia, Local Militia, Fencibles, or Volunteers, and to receive it in addition to the full-pay of such commission during war. In time of peace, when the Militia is only embodied for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of *any rank* in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 25th June, 1814, with respect to Officers reduced at that date.

* * Both Rates of Half Pay are payable Quarterly, without Deduction, except the Property Tax

SIR,

REFERRING to my Circular Letter, (dated 25th November last, No. 307.—Vide December List,) I have the honour to acquaint you, that His Royal Highness the Prince Regent has been graciously pleased, in the name and on the behalf of His Majesty, to order, that, if any General, or Staff Officer, in Great Britain, has actually kept, or shall actually or necessarily keep, for the Public Service, a greater number of Horses than was allowed to be retained by the Order, notified in my Circular, No. 206, of 18th February, 1815, he may charge the regulated Allowance for such Horses, up to the 24th March next, unless orders to the contrary shall be given in the mean time; provided the number of Horses, for which the charge shall be made, shall not exceed the proportion for his rank, previously to the 25th February, 1815.

CIRCULAR. No. 317.

WAR-OFFICE, 14th February, 1816.

SIR,

THERE being reason to believe that some Misconception prevails regarding the Allowance of Half-a-Crown granted to Country Practitioners for the Medical Examination of a Recruit, I think it necessary to explain, that the said allowance may be charged for every Recruit so examined, whether reported by the Practitioner to be eligible for the Service or not.

I am, &c.

Extracts from the Secretary at War's Instructions for Disembodiment the abovementioned Corps of Militia, dated January, 1816.

"Each Subaltern, and the Surgeon's Mate, if any, will be allowed, as a gratuity, a sum to complete two months' pay each, from the date of their disembodiment, (any advance already made beyond the latter date being of course to be reckoned as a part of such gratuity); which, being granted to them in this shape, will not interfere with the receipt of Half Pay, nor of any other allowance, to which they are entitled, or may hereafter obtain, from Government. Officers having two Appointments are, however, to receive the allowances for one of them only."

"The Adjutant, Paymaster, Surgeon, and Quarter Master, are not to have the said gratuity; it being intended that they shall be retained on duty and receive pay, commencing from the day subsequent to that of disembodiment inclusive, at the rates fixed by the Act of 33 Geo. 3, cap. 165."

"The Non-effective and Contingent Allowances of the Captains, the Mess Allowance, and other Regimental Allowances for Embodied Corps, are to cease from the date of disembodiment inclusive."

Extracts from the Secretary at War's Instructions for Disbanding or Reducing the above-mentioned Battalions.

"THE Officers liable to reduction, who may be present with your Battalion, or in this Country, shall be placed on Half Pay from the 25th February* next, to which date their Full Pay will be allowed, to enable them to proceed to their intended places of Residence."

"SUCH of the Officers to be reduced as are upon Foreign Service, will be continued on Full Pay until Two Months subsequent to the respective dates of their arrival in England, provided they return as soon as they are relieved from their Regimental Duty: but such Officers as are on the Staff, and continue to be employed thereupon, will be placed on Half Pay from the 25th February* next, inclusive."

"If in pursuance of the directions of His Royal Highness the Commander in Chief, conveyed to you by the Adjutant General, it should be found necessary to retain any Officers of the Second Battalion, for the duties of the depot, until the arrival of Officers belonging to the First Battalion, the Names and Ranks of such Officers are to be reported to this Office; as are also the Dates on which they shall hereafter be respectively relieved from regimental duty, in order that they may be placed upon Half Pay at the expiration of Two Months from such dates."

"His Royal Highness the Prince Regent is pleased to declare, that if any vacancies should occur in the Regiment previously to the 25th of February* next, either with or without purchase, the senior reduced Officers of the rank in which the vacancies may happen, shall succeed thereto; and that if the Adjutant of your Battalion should, from his standing in the Regiment, be an effective Lieutenant or Ensign in the First Battalion, he shall be allowed the option of remaining on the Full Pay of such rank as Lieutenant or Ensign, or of being placed upon Half Pay as an Adjutant."

"His Royal Highness has further been pleased to order, that the Officers who are liable to reduction shall be placed on Half Pay from the 25th March next, to which date their Full Pay will be allowed; that in corps in which there are at present two effective Lieutenant Colonels, the junior Officers of that rank shall be retained on duty as Supernumeraries; and that in Corps in which there are now vacant Cornetries for sale, the Lieutenants liable to reduction shall have the option, to the extent of such vacancies, of remaining upon Cornet's pay from the date of reduction, or of being placed upon Half Pay. In the former case, they will of course be expected to perform the duties of Cornet; but they will retain their Rank of Lieutenant, and their regimental seniority, and are to succeed to vacant Lieutenantcies as they occur on the establishment."

"It is to be clearly understood that none of the Supernumerary Officers are to be replaced, except in cases of purchase or exchange."

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold any subaltern commission in the Militia, Local Militia, Fencibles, or Volunteers, and to receive it in addition to the full-pay of such commission during war. In time of peace, when the Militia is only embodied for 58 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 58 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 25th June, 1814, with respect to Officers reduced at that date.

* Both Rates of Half Pay are payable Quarterly, without Deduction, except the Property Tax.

Extracts from the Secretary at War's Instructions for Disembodiment the abovementioned Corps of Militia, dated January, 1816.

"Each Subaltern, and the Surgeon's Mate, if any, will be allowed, as a gratuity, a sum to complete two months' pay each, from the date of their disembodiment, (any advance already made beyond the latter date being of course to be reckoned as a part of such gratuity); which, being granted to them in this shape, will not interfere with the receipt of Half Pay, nor of any other allowance, to which they are entitled, or may hereafter obtain, from Government. Officers holding two Appointments are, however, to receive the allowances for one of them only."

"The Adjutant, Paymaster, Surgeon, and Quarter Master, are not to have the said gratuity; it being intended that they shall be retained on duty and receive pay, commencing from the day subsequent to that of disembodiment inclusive, at the rates fixed by the Act of 33 Geo. 3, cap. 163."

"The Non-effective and Contingent Allowances of the Captains, the Mess Allowance, and other Regimental Allowances for Embodied Corps, are to cease from the date of disembodiment inclusive."
